## **VOLUNTEER INFORMATION**

### **Welcome**

Thank you for volunteering at Richmond Harriers Inc. Volunteers are very important to us and we want to support you. The Club is proud to have you as a representative and it is expected that all volunteers act in the best interests of the Club and the wider athletic community.

The following information should help you to get started but if you have questions at any time or if you would like to receive information in a different way please ask.

### **About Us**

- Our Club has as its purpose to foster and promote participation in athletic competition, including but not limited to, track and field, cross country and road running and to do all things considered necessary to facilitate these and related health and fitness activities.
- The club is affiliated with Athletics Victoria and operates year around from rooms located at Citizens Park, Cnr Highett & Gleadell Sts, Richmond. Training is conducted from the clubrooms each weeknight and competes at various venues during the course of the year. Training details and event calendar are outlined in the club website
- The Club is an Incorporated Association and is administered by elected officers and committee that meet on a monthly basis.
- If there are any issues or concerns that arise during your work with us please do not hesitate to discuss with one of the senior officers listed below.

### **Who volunteers?**

We have a number of people like you who give their time in a broad range of ways in a voluntary capacity. We have opportunities for people to get involved in coaching, administration, committee or sub-committees (eg social ), or to assist on race days as timekeeper, recorder or similar roles etc.

Our volunteers are a valuable resource in assisting the club to meet its goals and we endeavour to ensure that their participation is rewarded by being involved in a friendly club environment and by utilisation of their skills and meeting likeminded people.

We encourage people to help out as much as they can, and encourage an “everyone pitches in culture”

In the event of an accident it should be reported and a claim form lodged with the club for on forwarding to AV.

**We encourage all athletes and members to register with AV to ensure adequate insurance coverage. If you are not an AV registered member then you are not covered for personal accident**

## **Competition and Volunteer Events**

For competitions or other functions the required volunteering duties are assigned and notified by the Team Manager, or other club official, and will be advised well in advance of each event. It is always helpful if volunteers notify their availability for particular events/dates
